EXPEDITION ITINERARY

Your itinerary, day by day.

Day 1 — Flight day

Briefing, medical, suit-up, and the parabolic flight — real weightlessness over multiple parabolas.

07:45 Meeting at the main checkpoint of Zvezdny Town

08:00 Medical Examination

Many people have been afraid of doctors since childhood, but we want to reassure you: there are no strict health restrictions. The main requirements are normal blood pressure and no sinusitis.

08:30 Briefing on Flight Procedures

They'll explain the safety precautions, how to behave, and what you should and shouldn't do—so you won't feel agonizingly embarrassed about having wasted those precious moments of weightlessness.

09:30 Transfer to Chkalovsky Airfield

10:00 Pre-flight briefing aboard the IL-76 MDK

While you're still on the ground, you'll have the opportunity to put what you learned during the briefing into practice. You'll also get to know the instructors and realize that there's nothing to worry about—you're in good hands!

11:00 Takeoff

11:20 A flight featuring 10 free-fall phases

12:30 Certificate Presentation

This is undoubtedly another important part of the program, because, as you'll a gree, such significant moments in life need to be commemorated not only with e nthusiastic comments but also with some kind of official document—and receiving a personalized certificate directly from a Hero of Russia makes it twice as special.

13:00 Shuttle to the Central Checkpoint of Zvezdny Town

13:30 Coffee Break

14:00 Tour of the Yuri A. Gagarin Space Center (optional)
